

## WEDDINGS GENERAL INFORMATION

With historic character, timeless elegance, and the romance of an 1890's theater, Monticello Opera House is the perfect venue for your charming and memorable wedding. Conveniently located on the Courthouse Circle in downtown Monticello, Florida, our two-story Romanesque Revival brick building offers for your reception the ground level 3,000 square foot Perkins Banquet Hall with heart-pine floors and a 15-foot ceiling that seats up to 150 guests. For your wedding ceremony, we offer our beautiful 5,000 square foot Garden Courtyard adjacent to the building which has an arched gazebo and paved area for ample seating and possible tenting.

Also available for your ceremony is our second-floor Historic Theater (elevator available) which seats 300 and provides a unique and special experience with many lighting and staging options. This also serves as an inclement weather option for wedding couples that have booked the Garden Courtyard for their ceremony, and there is no charge for the transfer.

The Opera House is very affordably priced and offers many benefits not found in other venues.
